REPORT OF THE BOARD OF MANAGEMENT FOR THE YEAR 1932.

In the last Report the Board of Management stated that the year 1931 had been a momentous one in the history of the Hospital. This was due in the main to the augmentation of the Medical Staff and the extension and equipment of the buildings.

Dr. H. B. Roderick, Dr. Leslie Cole, Dr. J. R. Campbell Canney, Dr. A. S. H. Walford and Dr. J. W. C. Graham had very generously consented to act as visiting consultants and to place their knowledge and skill at the disposal of the patients in the Hospital. In the past year the Hospital has had the benefit of the most valuable help and the unflagging interest of all these gentlemen. We are very conscious of how much we owe to them and would take this opportunity of recording our sincere appreciation of all they have done to maintain the standard of efficiency in their respective departments, and to stimulate the life of the Hospital. We would also thank Dr. Griffiths who for 31 years has given devoted service to the Hospital.

Statistics as to the admission and discharge and treatment of Patients will be found on pages 12 and 13, and these prove for themselves the useful purpose the Hospital continues to serve without further comment on our part.

On the day on which we present this Report the new Electric Lift is to be dedicated by the President, the Right Hon. the Earl of Sandwich. The conception of the idea of the installation of a lift was that of Mr. J. H. Howgate who, as Mayor of Huntingdon, inaugurated a fund for the purchase of a lift and who has been indefatigable in his efforts to raise the necessary money. To Mr. Howgate and to the firm of Messrs. M. J. Allen & Sons (who carried out the necessary structural alteration at cost price) and to Mr. Inskip Ladds, the Honorary Architect of the structural alterations, is mainly due the fact that this lift is now in being. There is no doubt that it will be of inestimable benefit to the patients and will make both for their comfort and for the more efficient working of the Hospital. There is however a debt of £123 still owing, which we trust will be subscribed for in the near future.

It will be recalled that under the Rules revised in November, 1931, the weekly sum of 3/6 payable by patients was abolished and the matter of contribution was left entirely to the patients' gratitude and goodwill. Comparing 1932 with 1931 the result has been that the Hospital has received £224 6s. 6d. for 1932, as against £308 12s. 0d. in the preceding year. It is possible that the loss is not so great as would appear, and that more indirect donations are received than formerly. We would however remind those who come as patients to this Hospital that we value any donations, however small, that they are able to give.

During the year the Hospital has received no legacies, but on the other hand it has had a generous donation of £105 from Mr. A. H. Capell as a result of a Pageant held in the grounds of Buckden Towers which were kindly lent for the purpose by Dr. Eddleston. We thank Mr. Capell and all those who assisted him in the Pageant and also Dr. Hicks and Dr. Eddleston for the gratifying result. In addition to this sum of one hundred guineas. the "Hunts Post" Bunny Fellowship has presented the Hospital with £150 collected by its members. A cheque for £100 was received by the President at a social gathering held at St. Ives on 3rd December last. We cannot emphasize too strongly our appreciation not only of the gift and its magnitude, but of the attitude of the "Hunts Post" Newspaper which is doing so much to inculcate the spirit of a very real form of charity into the children of the County. We owe, and always have owed much to the generous help and unfailing interest of all our county newspapers, and we would most sincerely thank the Editors and Reporters for their kindness and courtesy at all times.

We have suffered considerable loss in income by the conversion of 5% War Loan. Many subscribers, however, have signed a Deed of Covenant to subscribe for seven years and in this way we are able to recover income tax on their subscriptions and so save a considerable sum. We should like to see all subscribers doing likewise.

Once again we have to report the success of the Matron's Pound Day. The fact that 6060 pounds of groceries and 3625 eggs were received is sufficient testimony to the popularity of the Hospital and this particular means of helping it. This is only one of the many ways in which the Matron has proved her resourcefulness. It is now 21 years since her appointment and during this time her interest has never waned nor her energy abated. She has done much for the

Hospital and what she has done has always been of the very best. We who have known her work are unable to fully express our appreciation.

On October 1st, Mr. A. J. Lawson tendered his resignation as Assistant Secretary on his leaving the County to take up a business in the south of England. Mr. Lawson during his term of office served the Hospital well and faithfully and was unfailing in his attendance at all Hospital Parades, Bazaars and Meetings. Mrs. Lawson, his wife, by various means raised and presented to the Hospital approximately £300 in addition to other gifts. We thank them both for their generous help.

The Hospital has been fortunate in securing the services of Mr. A. E. Peacock. By a unanimous vote he was chosen to take Mr. Lawson's place as Assistant Secretary, and we can assure him that he has the full confidence of the Board of Management. A room at his Office, 96, High Street, has been placed at the disposal of the Hospital, for secretarial purposes.

At our last Annual Meeting, with a deep sense of regret, the resignation of Sir Arthur Dilley was received and accepted. If the regret and the sense of loss we felt we had sustained can be mitigated, then it is in the appointment of Lt.-Col. Rouse to the Honorary Secretaryship. It is unnecessary to say what complete satisfaction this has given to everyone interested in the Hospital. For many years Lt.-Col. Rouse has had the welfare of the Hospital at heart; he is conversant with the working of the Hospital, and his organizing ability is proving a most valuable asset.

Each year we have to express our gratitude to those who organize Hospital Parades, Social Entertainments and Carol Singing; to the Clergy of the Churches of all denominations who give Harvest Festival and other Collections; to those ladies who in various districts supervise the collection of subscriptions, and to those who assist them. In offering them our most sincere thanks we would say that our gratitude is not less, but more sincere because we offer it so repeatedly. Without this regular help given to us year by year the Hospital would have to close its doors, and that, in our opinion, would be a disaster to the County. And yet, we would remark, that large as our list of subscribers is, as we look down the lists, there are many names we should like to see which are conspicuous by their absence. We claim that of all institutions in the County the Hospital, from the very nature of its work, is the most worthy of support.

For some years the Board of Management has held its monthly meetings on the third Tuesday in each month. Owing to the increase of County Council and other Committees it has been decided that it will be more convenient to hold future meetings on the third Thursday in each month instead of the third Tuesday. The House Visitors will meet in future on the Thursday in each week.

The following Members having served three years, retire by rotation from the Board, and are this year ineligible for re-election :—

Surgeon Commander A. S. G. Bell.
Mrs. Day.
Mrs. Jolliffe.
Mrs. Richardson.
